

Product Specification Sheet

Vent MF 7750

Our Vent MF 7750 is a Commercial Drying and Ventilation Fan runs off a low power consumption whilst delivering an impressive volume of air, all thanks to large and efficient fan blades. Lightweight in design, the Vent MF 7750 is equipped with a practical carrying handle and cord holder, making it easy to manoeuvre and reposition. This fan is perfectly suited for recirculating air within industrial or commercial spaces, drying floors and carpets in construction sites and event spaces. The fan features 2 speed settings of 1300 and 1500 rpm and is constructed from highly durable polypropylene allowing for easy be stacking, transport and storage.

Product Benefits

- Durable Rotomolded housing
- Stackable
- Equipped with practical carrying handle and cable holder
- 2 fan speeds

Technical Data

Product name	Vent MF 7750
Product Number	EB15011
Voltage	110 V
Fan speed (rpm)	1300 / 1500
Air flow	5950 / 6786 m³/h
Connector	CEE 216-4
Dimensions H x W x D (mm)	560 x 365 x 550
Weight	14 kg
Protection class	IP22
