Product Benefits

- Built using durable and lightweight powder coated aluminium
- Comes complete with fitted tubular stand
- Corrosion resistant side hinged padlockable door
- High quality Schneider switchgear
- High quality ABB branded socket outlets and input plug
- Patent protected withdrawable main body for ease of servicing/maintenance

Technical Data

Product name	SMDU-125A-4W
Product Number	EB16697
Construction	Aluminium-Powder Coating
Colour	El-Björn Blue
Dimensions (mm)	910 x 570 x 310
IP Rating	IP44
Short Circuit Rating kA	6kA
