

Quality Policy

El-Bjorn UK Ltd

- Our commitment to quality at El-Björn is vital to ensure satisfied customers, sustainable growth, and good profitability.
- By making continuous improvements El-Björn will always be the natural choice of supplier.
- Our products will always meet our customers' expectations and needs.
- Our products will be designed and built to the relevant standards and regulations.
- We will maintain good order throughout the company, so that products are delivered at the right time and in the right specification and quantity, every step of the way.
- We will maintain a high level of service and capacity to deliver.
- Quality is the personal responsibility and duty of every employee.
